Muriel's Landing sold for \$24M

By [JOURNAL STAFF](#)

SEATTLE — An entity related to The Schuster Group sold Muriel's Landing, a seven-story, 100-unit apartment building at [5240 University Way N.E.](#), to FSC Realty LLC for \$23.95 million, property records show.

Muriel's Landing opened in 2012. It has 7,000 square feet of retail space, electric vehicle charging stations and a bike storage room.

Caron Architecture designed Muriel's Landing and Compass Construction built it.

Beverly Hills, Calif.-based FSC Realty owns more than 47,000 apartments in 21 states. FSC also owns approximately 5.8 million square feet of office, hotel and retail space.
